

# 5 REASONS HEALTHIESTYOU'S A NO-BRAINER

5 key differentiators that deliver unsurpassed healthcare engagement solutions for employers and their employees.

## 1 Physicians are available 24/7

- Our network of 3,100+ U.S. board-certified physicians handle over 70% of non-emergency doctor visits at **no cost to the employee**
- Available to diagnose, treat and often prescribe via phone, web or mobile app at home, work or on the go
- Average wait time is 10 minutes
- 90% patient satisfaction

## 2 Clinical quality

- The HealthiestYou app locates local healthcare providers
- As part of the Teladoc platform, our doctors average 20 years of medical experience
- **92% first call resolution**
- **ZERO malpractice claims** since inception
- In-depth physician training on tools, software and protocols
- More than 3,000,000 virtual care visits completed

### 3 Price Transparency

- Control costs with HealthiestYou's geo-based prescription search engine which can **save up to 85%** on prescriptions
- From MRI's to Ultrasounds, our app can compare the prices of a wide array of procedures nearby

### 4 Sync Medical Benefits

- Member visibility into medical plan deductibles in real time
- Easily compare and schedule in-network and out-of-network providers for any medical need

### 5 Engagement with real ROI

- Dedicated Client Success Team to assist clients before, during and after on-boarding
- Dedicated marketing team to help clients drive member utilization
- Average first year utilization +25%
- Provides utilization, redirection, cost saving and employee satisfaction reporting

There's a reason why our members love us. Give your clients the experience, clinical quality and member engagement they need.
