Robson Forensic, Inc. is the leader in forensic engineering, providing superior technical expertise, expert testimony and scientific investigation to the legal profession and the insurance industry. We extend expertise in a variety of specialties and disciplines as diverse as vehicle engineering, aquatics, dram shop, product liability, cyber forensics, and human factors. Our experts provide reports and expert testimony, investigation and analysis where scientific and technical responses are necessary. We assist in the resolution of both insurance claims, and criminal and civil litigation.

Technology Consultants, Inc. is an IT Consulting and Support firm whose focus is on small to medium-sized business throughout Vermont. They do IT differently by their main focus being on the people and businesses themselves, not just on the IT. They also use straight talk without jargon, have a down-to-earth and NOT a one-size fits all approach.

Exhibitors

Founded in 1988, ALPS changed the industry by providing stable, responsibly priced lawyers’ professional liability insurance coverage. Today ALPS protects more than 14,000 attorneys nationwide and is endorsed by or affiliated with more state bar associations than any other insurance company, including the Vermont Bar Association. ALPS holds true to its original vision – to continually identify needs and provide solutions to attorneys, their firms, and local and state bar associations and foundations.

The Vermont Community Foundation was established in 1986 with a mission to grow philanthropy in Vermont and ensure that Vermont donors and nonprofits have the resources they need to be effective. Since then, more than 650 individuals, families, businesses, organizations, and private foundations have established funds at the Foundation for a broad range of charitable purposes. For these donors, a fund at the Foundation offers a simple, flexible, tax-wise way to invest charitable assets and continue to give to the causes of their choice.
