1-800-639-7036/online 24/7 [HERE](#)

The Vermont Bar Association's Lawyer Referral Service provides referrals at no cost to you. Our attorneys provide an initial 30-minute consultation for no more than \$25. Getting a lawyer is fast and easy. Simply provide us with some brief information about you and your legal needs and we will match you with a qualified attorney. If you are requesting a referral for another person, please make sure to provide the correct contact information for that individual.

Remember . . .

If you have a legal problem, you should have legal representation. The Lawyer Referral Service is designed to serve you. Those who have a legal problem and cannot afford a lawyer will be directed, if possible, to another public service program or human service agency for assistance.
