Judicial Resources within Units:

The Presiding Judge for each county unit shall determine the allocation of judicial resources between civil, criminal, and family divisions within the unit. The presiding judge may specially assign a superior judge assigned to one division in the unit to preside over cases in a different division. Where there is a single presiding judge for multiple units e.g. Caledonia/Essex, Franklin/Grand Isle, the presiding judge shall determine the appropriate allocation of judicial resources between the two units.

Shared Resources Between Units:

1. The second judge assigned to the Caledonia, Essex, and Orleans units shall preside over the juvenile and relief from abuse dockets in the three counties.
2. A judge from the Chittenden unit shall be assigned one day a week to the Addison unit.
3. The judge assigned as the Northeast float will preside over the civil divisions of the Caledonia, Essex, Orleans, and Lamoille units.
4. The judge assigned as the Southwest float will provide coverage in Rutland Criminal division (including the treatment docket) two days a week, the Addison unit one day a week, and two days a week to the Chittenden Criminal/Family division.

Anticipated resources among Units:

A vacancy in Rutland (the Cohen seat) is currently before the Governor and with the retirement of Judge VanBenthuisen and Judge Teachout there will be two more vacancies. The filling of those vacancies could impact the above assignment schedule and result in changes between and within units.
