ATTACHMENT A – STATEMENT OF WORK

The Contractor shall:

DELETE THESE INSTRUCTIONS All State contracts must describe the work to be performed in clear, concise and complete statements. Attachment A of the Standard State Contract should be used to detail the work to be performed or products to be delivered by the contractor. A well written description will include the schedule for performance, identification of project deliverables, deliverable milestones, and standards by which the contractor's performance will be measured. This description of the work may also be referred to as the Statement of Work, Specifications of Work, or Subject Matter. Please refer to Appendix II for further guidance. The deliverables and milestones should be used to inform the payment terms in Attachment B. Attaching RFPs and RFP responses to contracts is not permitted. RFP responses can be long and complicated and may include both unnecessary information and introduce internally inconsistent terms within the contract.

The level of required contract compliance monitoring, if applicable, should be based on the assessment of the risk for delay or failure to deliver the services. In assessing the risk, agencies should consider factors such as: amount of funds involved; contract duration; contract complexity; history of the Contractor with State government; amount of subcontracting involved; and other relevant issues. Whether or not liquidated damages, service credits and/or retainage are part of the contract, the document should include a section that describes specifically how the Agency will monitor the contract for compliance.

Types of compliance monitoring processes and steps may include: (i) periodic contractor reports; (ii) invoice reviews; (iii) on-site visits; (iv) scheduled meetings; (v) audits; (vi) independent performance reviews; (vii) surveys of users/clients; and (viii) post-contract audit or review. This section may also describe a process for identification, discussion, and resolution of disputes between the Contractor and the State, both during the contract duration and after expiration.

NOTE: Additional guidance for drafting Attachment A is provided in Bulletin 3.5, Appendix II

DELETE THESE INSTRUCTIONS The above language up through section 5 is standard and should be included in all services contracts. Section 6 is merely a prompt for completion of the particular payment terms necessary to the contract, such as the schedule and/or rates of pay. Sample language is provided below, if helpful, but there is no required format.

TIME/MATERIALS: If payment will be based upon time and materials, specify the frequency of invoicing and the rate of payment. For example:

REVISED DECEMBER 15, 2017**

1. 2. Entire Agreement: This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State’s sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State’s immunities, defenses, rights or actions shall be implied or otherwise deemed to exist by reason of the State’s entry into this Agreement.

5. No Employee Benefits For Party: The Party understands that the State will not provide any individual retirement benefits, group life insurance, group health and dental insurance, vacation or sick leave, workers compensation or other benefits or services available to State employees, nor will the State withhold any state or Federal taxes except as required under applicable tax laws, which shall be determined in advance of execution of the Agreement. The Party understands that all tax returns required by the Internal Revenue Code and the State of Vermont, including but not limited to income, withholding, sales and use, and rooms and meals, must be filed by the Party, and information as to Agreement income will be provided by the State of Vermont to the Internal Revenue Service and the Vermont Department of Taxes.

The State shall notify the Party in the event of any such claim or suit, and the Party shall immediately retain counsel and otherwise provide a complete defense against the entire claim or suit. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party or any third party.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. It is the responsibility of the Party to maintain current certificates of insurance on file with the State through the term of this Agreement. No warranty is made that the coverages and limits listed herein are adequate to cover and protect the interests of the Party for the Party's operations. These are solely minimums that have been established to protect the interests of the State.

Workers Compensation: With respect to all operations performed, the Party shall carry workers' compensation insurance in accordance with the laws of the State of Vermont. Vermont will accept an out-of-state employer's workers' compensation coverage while operating in Vermont provided that the insurance carrier is licensed to write insurance in Vermont and an amendatory endorsement is added to the policy adding Vermont for coverage purposes. Otherwise, the party shall secure a Vermont workers' compensation policy, if necessary to comply with Vermont law.

The Party's liability to the State under the False Claims Act shall not be limited notwithstanding any agreement of the State to otherwise limit Party's liability.

11. Whistleblower Protections: The Party shall not discriminate or retaliate against one of its employees or agents for disclosing information concerning a violation of law, fraud, waste, abuse of authority or acts threatening health or safety, including but not limited to allegations concerning the False Claims Act. Records produced or acquired in a machine readable electronic format shall be maintained in that format. The records described shall be made available at reasonable times during the period of the Agreement and for three years thereafter or for any period required by law for inspection by any authorized representatives of the State or Federal Government. If any litigation, claim, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

14. Fair Employment Practices and Americans with Disabilities Act: Party agrees to comply with the requirement of 21 V.S.A. Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.
