

Vermont Bar Association

FLOOD VICTIMS LEGAL ASSISTANCE PROJECT

Members of the Vermont Bar Association have volunteered to provide legal advice to Vermonters who are facing legal issues arising from the flooding of their homes, businesses or places of employment. The lawyers are working on a pro bono basis, meaning there is no cost to you. The VBA has received a grant to fund a new low bono project that will make lawyers available to provide limited legal services again at no cost to you.

If you need legal assistance, please fill out this online [FORM](#)

If you do not have access to a computer and need assistance, please contact the Vermont Bar Association Lawyer Referral Service at 1-800-639-7036.

Vermont Bar Association/Vermont Law & Graduate School Small Business Legal Assistance Project

The VBA has a Small Business Legal Assistance Project, partnering with the Vermont Law & Graduate School, to link low bono lawyers with small business owners who need advice and legal services related to their businesses such areas as business formation, leases and contracts, business succession, intellectual property, employment law, business tax issues, regulatory

compliance and other business-related matters. The SBA grant can also be used to assist small businesses with flood related issues.
