

# VBA Mid-Year Meeting Marketing Sponsors

**SANA**  
AT STOWE

Sana at Stowe provides detox and residential treatment for adults with substance use disorders and co-occurring mental health issues. Offering an integrative program that unifies medical, clinical, and wellness, patients

experience whole-person, trauma-informed treatment that is customized to meet their unique needs. Detox and residential are kept together under one roof in a thoughtfully designed space that facilitates engagement in treatment and connection with peers. Sana is in-network with BlueCross BlueShield and Optum and can accept most commercial plans with out-of-network benefits.

**SOBERLINK**<sup>®</sup>

Proving Sobriety, Improving Lives

In order mitigate conflict, we must leverage technology. To help ensure smoother negotiations for a more efficient legal process, consider using Soberlink's trusted alcohol monitoring system to eliminate hearsay and protect your client's best interests. Soberlink provides objective, real-time data that can be used to reduce disputes over alcohol consumption, leading to less conflict in custody cases. With an unprecedented combination of features including Advanced Reporting, facial recognition, tamper-resistance, real-time results, and customized testing, our discreet system has been the leader in remote alcohol monitoring since 2011. Today, 10,000+ Family Law professionals across 50 states have adopted our system--Learn how to implement Soberlink into your own practice.
