

# Member Benefit Special Enrollment

We are excited to announce, in partnership with Pinnacle Financial, as part of our benefit offering we're adding a brand new benefit to you! This benefit is a unique hybrid life option that includes features designed to protect you now and into your retirement years, and includes options to cover chronic or long-term care expenses.

## NEW Benefit Highlights from MassMutual Permanent Whole Life with LTC

Because this benefit is so unique, we've set up a special enrollment period and personal education sessions where you can learn more. Providing for life after work, should be at the center of every family's financial plan. With the surging costs of long-term care and expenses related to chronic conditions, you owe it to yourself and your family to be prepared for life's unexpected moments with more than just basic life insurance.

- **NO medical questions, paperwork, or computer required**
- Permanent coverage with cash growth, locked-in level premiums
- Guaranteed Issue (GI) up to \$150K, for this enrollment ONLY
- Versatile option for expenses related to long-term or chronic care
- Portable protection for you, your spouse, children and grandchildren
- Once enrolled you can increase up to GI amount at future enrollments!
